**Almost 150 American Quarter Horses in Poland.**

Warsaw. Poland. November 14, 2006

Poland has 126 registered American Quarter Horses - it is the latest news from Amarillo. There is 80 mares, 41 stallions and 5 geldings. Polish Quarter Horse Association inform that final list of Quarter Horses in Poland is bigger (more than 150 horses). "We have verified data that a part of Polish breeders and owners still doesn't start registration process in AQHA. PLQHA will help them in this concern immediately - said PLQHA Vice Chairman Daniel Jastrzebowski.

"We are very delighted especially with high percentage of broodmares and stallions - it is very important for dynamic QH breed expansion in our country" add PLQHA Chairman Piotr M. Rudnicki.

PLQHA is new Polish association, which started this year. Organization will be apply to official AQHA affiliation in next convent.
